Autumn Term 1 2026

Daisy Class

As Early Readers we will:

Explore stories through play, supporting children's language development, different texts and building their imagination.

Core texts:

We're going on a bear hunt

As Mark Makers we will:

Be developing our bodies to build our muscles for mark making. Using a range of resources such as music and movement, brushes to sweep, digging in the sand and mud pit.

Large painting, chalking and wax crayons to explore different mediums for children to explore and experiment through process not outcomes.

Physical Education Opportunities:

This term we will be focusing on our independent skills, putting on coats, shoes, washing hands. Developing our ball skills.

Personal, Social and Emotional Development focus:

Settling into nursery, making friends, learning new routines and expectations.
Begin to discuss our feelings through play and circle time.

Christian Values focus: Faith

British Value: Democracy

As World Explorers we will:

Our Science will focus on changes in weather, charting each day what we notice.

As we explore our story We're going on a Bear Hunt, we will use our senses to discover and explore different elements and climates.

As Mathematicians we will: be exploring comparisons, counting, patterns, shape and subitising 1,2,3

As Artists and Designers, we will be:

Learning about the artist Kandinsky who used shape and colour to inspire others.

As Musicians we will: Be focusing on rhythms, beats and sounds using our bodies and other musical instruments.

Harvest Morning. Details to follow

Parents Evening 19th October. Details to follow
