Buttercups Autumn 2 2026

As Readers and Writers we will: Enjoy and discover the key features of the story "Room on the Broom" by Julia Donaldson. We will become the characters and explore each of the settings in the story.

As Historians, we will: Investigate transport through time including the steam engine. We will compare transport in the past to transport in the present.

Physical Education Opportunities: Bikeability and Cooperate to Solve Problems.

Topics covered in PSHE: Celebrating Difference.

British Values focus: Tolerance

Christian Value focus: Joy

Religious Education covered: Why do some Christians perform Nativity plays at Christmas?

As Scientists, we will: Predict and observe how movement, forces and magnets work on different types of objects and materials. This will include practically testing the forces pushing and pulling familiar objects.

As Mathematicians, we will:

Explore the composition of numbers and the concept of 'parts' and 'wholes'.

Compare circles and triangles.

Investigate shapes with 4 sides.

Investigate Mass and Capacity.

USEFUL INFORMATION

PE kit to be worn on Mondays and Thursdays.

Please send in reading books and diaries DAILY.

Reading books will be changed on Mondays, Wednesdays and Fridays.

Mastering Number books in school on Mondays.

As Musicians, we will:

Discuss what we like and do not like about different pieces of music.

Learn and play instruments to nursery rhymes.

As Artists, we will: We will be exploring light and dark and investigating how light enhances the night. Using different materials, we will then create our own night skies.

Enrichment (trips/workshops/experiences)

Children in Need - whole school ramble

Reindeer Run

Nativity performance

Christmas Service

Pantomime
