Daisy Class - Spring walk

This week, the children in Daisy Class enjoyed a lovely Spring walk to our local church. They were excited to explore the building and discover that it was a church, not a castle! During their visit, the children learnt about the different features of a church and even practised how to sign the word "church". They also had great fun counting to 10 as they listened to the church clock chime. It was a wonderful opportunity for the children to learn more about their local community.

Bluebell Class - Reptomania

Bluebell Class enjoyed a very 'hands on' science lesson this week where they met 'real' reptiles. The class were joined by Dave and Hazel from local company Reptomania who gave the children time to handle the animals and ask lots of different questions.
