Dates for your Diary

Monday 11th-14th May- Year 6 SAT'S

Friday 15th May- Year 6 -Flip out

Monday 18th May– Whole School Trip Westonbirt Arboretum

This half term's value is

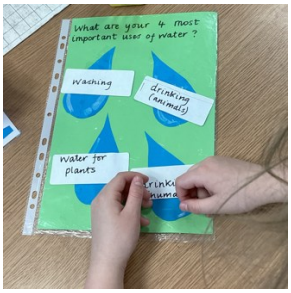

Rose Class- "Hands up For The Planet" workshop

Rose Class thoroughly enjoyed taking part in the "Hands Up for the Planet" workshop, which focused on the importance of water. The children explored different parts of the world where access to water is limited and reflected thoughtfully on what daily life might be like in these areas. They then worked in small "village" groups to collect water from a well, using a range of tricky tools. This hands on activity gave the children a real insight into the challenges many people face, encouraging empathy and teamwork along the way. It was a fun and engaging experience for all, and Rose Class came away having learnt a great deal!

Forest School

Wow, what an action filled forest school session Sunflowers have had. This week, the children learnt how to do a reef knot. They then tested their knot tying skills by putting their weight onto it. If the knot was done correctly, it held their weight. Others worked together to make a tyre swing for the Forest School area, using a range of different skills to achieve this. Some children chose to spend time painting using natural materials, such as sticks for brushes and mud for paint.

Suzie's Charity Bike Ride

On Wednesday we were joined by Suzie Robinson from Bodenham who talked to the children about her charity bike ride from Lands End to John O'Groats. This will take 15 days and around 1000 miles! The children asked lots of interesting questions about the journey, possible places to sleep on the route and what Suzie had packed to take with her.

We are looking forward to tracking the journey on maps in our classrooms and see some of the places she is visiting.

All money raised will be for the charity We are Farming Minds and we hope some of our families will follow the link and make a donation.
