Bluebell Class - Bodenham Lakes

Bluebell Class had great fun learning about the local habitat around Bodenham Lake this week. The children were well prepared for a wet morning and the walk to the first stopping point was made much more exciting by the challenge of negotiating the wet and muddy puddles!

We used our binoculars to try and identify birds that we spotted in the trees and listened to the different bird calls. The geese on the lake were very noisy.

We were all ready for a welcome hot chocolate and biscuit when we arrived a the second bird hide.

Forest School

During Buttercups' final Forest School session, we embraced the weather and made the most of the outdoor experience. The children had great fun splashing and playing in the puddles, thoroughly enjoying getting wet. Afterwards, we gathered around the fire to warm up and finished the session by roasting marshmallows.

Climbing for confidence

As part of Children's Mental Health Week, some of our pupils took part in Climbing for Confidence with Stride Active at Green Spider Climbing!

Through climbing, teamwork and encouragement, the children challenged themselves, built resilience and discovered just how capable they are.

Activities like this help boost self-belief, confidence and wellbeing - and there were plenty of proud smiles along the way
