Friday 13th February - PA Valentines Disco 5.30pm - Bodenham Village Hall

Friday 13th February - Last day of Spring Term 1

This half term's value is

Trust

Buttercup Class - Croft Castle

Croft Castle was an incredible experience for Buttercup Class! When we arrived to the castle we were shown around by Mrs Smith who was a fountain of knowledge when it came to Croft castle. She explained who the people were in the paintings, what the different symbols represented and what made each room special! The children listened beautifully and asked lots of questions too! We found a grandfather clock where Mrs Smith sang hickory dickery dock with us and we were there to hear it chime too! We then headed to have some lunch in the cafe before exploring the castle play area where the children became knights, princes, princesses, kings and queens! We had the area completely to ourselves so we were able to navigate our way around it safely and have lots of fun together. We are all very proud of how the children behaved on this trip. They were very respectful to other visitors to the castle and we even had a member of public tell us that they were very impressed with the children, especially how they behaved.

Forest School

During Forest School this week, the children made bird feeders and set up wildlife cameras in the hope of spotting some birds. The cameras were very busy, capturing robins, blue tits, squirrels and even a few curious cats enjoying the children's feeders! Some pupils also began adding to our dead hedge, learning how to use secateurs safely and correctly while developing their practical outdoor skills.

Number Day

The children and staff at St Michael's had a fabulous day celebrating and learning all about numbers for the NSPCC. We even had a fabulous time tables dance presented to the school from Rose Class that they have been working extremely hard on the past few weeks. Thank you for all your donations.
