This half term's value is

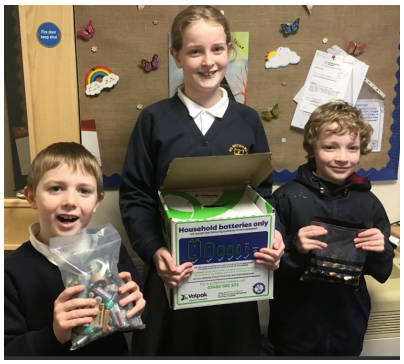

Trust

Our school is recycling batteries to protect the planet (and for a chance to win book vouchers for the school).

How can you help?

Hunt out used batteries at home. We are collecting AA, AAA, C, D, 9V and button batteries.
Tape over the contacts of lithium (Li) and button batteries (see below).
Put them in a tied plastic bag (preferably reused)
Take them to the school's collection point.

Cake of the week

Buttercup Class - Forest School

During Forest School this week, the children learnt how to safely use a hacksaw to cut wood. Next week, this wood will be placed on the fire to make charcoal, which the children will then use to create their own artwork.
