Forest School

This week at Forest School. The children got wonderfully creative! Some crafted beautiful elder necklaces and bracelets, carefully sawing and threading each piece. Others took on an engineering challenge, designing and building their very own pull-up bar using a sturdy stick and plenty of problem solving skills. Meanwhile, a few children used the last of the autumn leaves to make imaginative artwork, turning nature's leftovers into colourful masterpieces.

Reindeer Run - St Michael's Hospice

We had a fabulous morning taking party in our yearly Reindeer Run in aid of St Michael's Hospice. The children split into their house teams and ran as many laps as they could on the school field, whilst the other children had a great time singing and dancing to lots of Christmas songs on the playground.

A big thank you to all our families for all of your donations online and through the sponsorship forms.

If you haven't managed to donate there is still time via the link below and sponsorship forms need to be in by Friday 12th December.
