Daisy Class

Daisy Class had a wonderful time getting creative outdoors by transforming some tyres into their very own paddling pool! Working together, they lined the tyres, filled them with water, and enjoyed dipping their feet in to cool down on a warm day. It was a fantastic example of imaginative play, teamwork, and making the most of outdoor learning while staying refreshed in the sunshine.

A huge thank you to our wonderful School PA for treating all of the children to lollies this afternoon after such a hot week. It was a lovely surprise that brought lots of smiles and was the perfect way to cool down. Your kindness and continued support are greatly appreciated. Thank you!

Rose Class Cricket Tournament

Last week, Rose Class took part in a fantastic cricket tournament, where they represented our school with enthusiasm, determination, and excellent sportsmanship. The children worked brilliantly as a team, showing great batting, bowling, and fielding skills throughout the day. They encouraged one another, celebrated each other's successes, and displayed a positive attitude in every match. We are incredibly proud of their effort, teamwork, and behaviour – well done, Rose Class!

Little Seeds

What a Wonderful Safari Adventure at Little Seeds!

Today our little explorers had a fantastic time celebrating Safari Week! The children enjoyed getting hands-on with our safari-themed sensory activities, exploring water play with jungle animals and developing their curiosity through play.

There were lots of opportunities to splash, pour, discover, and use their imaginations as they created their own safari lion masks and decorated delicious biscuits.

We had some relaxing safari music playing in the background and enjoyed plenty of opportunities for learning through play.

As always, it was lovely to see friendships growing, grown-ups chatting, and children building confidence as they explored the activities at their own pace.
