Friday 3rd July 2026

Dates for your Diary

Wednesday 8th July - Rose & Sunflower Class Summer Production

Thursday 16th July - Y6 Leavers Service - Church @ 09.30am

Thursday 16th July - Final day of Summer Term

This half term's value is

PEACE

What an incredible Sports Day we enjoyed! The sunshine, smiles, determination and encouragement from everyone made it a truly memorable day. It was wonderful to see all of our children taking part with such enthusiasm, supporting one another and showing fantastic teamwork and resilience throughout the day.

A huge thank you goes to our amazing Parent Association, whose hard work and dedication helped make the day so special. From serving delicious refreshments to providing the fantastic afternoon entertainment that kept everyone smiling, their support was simply outstanding. We are so lucky to have such a committed group of volunteers who give so much of their time to enrich our school community.

A very special thank you also goes to Lucy Simcock, who once again amazed us all with her incredible 'Sports Day Special' cake. It looked absolutely spectacular a big congratulations to the winner.

Finally, thank you to all of our families, staff and volunteers for your support and encouragement throughout the day. Sports Day is always one of the highlights of the school year, and it's the wonderful community spirit that makes it such a success. Thank you for helping us create such happy memories for our children.

Growing & Learning Together

SPORTS DAY SPECIAL!

Friday 3rd July 2026

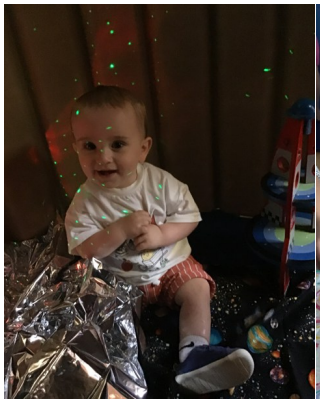

Daisy Class had a truly lovely time at their first Forest School session. We introduced our Forest School rules through a game of duck, duck, goose, helping the children remember to walk around the outside of the fire circle.

Some nursery children delighted in the mud kitchen, where they showed wonderful imagination and creativity! Others had great fun making mud paint, flicking and drawing on sheets hanging from the trees.

Several children also explored the water area with enthusiasm, measuring, pouring and transporting water as they played.

Little Seeds

This week at Little Seeds, our little explorers had an out-of-this-world adventure as we celebrated Space Week!

The morning was filled with exciting, hands-on activities that encouraged curiosity, creativity, and learning through play. The children loved getting messy with our moon sand sensory play, where they explored different textures.

There was plenty of creativity as everyone decorated delicious moon biscuits, before rolling, shaping, and designing their very own playdough aliens. We also enjoyed lots of space-themed exploration, giving the children opportunities to discover, imagine, and learn together.
