Year 6 - Church Tower

This week, Year 6 took part in a much-loved St Michael's tradition and enjoyed a memorable climb up the church tower. With plenty of laughter and team spirit, the children rang the bells and had great fun as the sound echoed through the village. After making their way up over 100 steps, they finally reached the top, where they sang proudly and waved to the rest of the school, who were waiting at the front of the school. It was a special moment for everyone and a wonderful way to celebrate a treasured part of school life.

A Long Way to Camelot

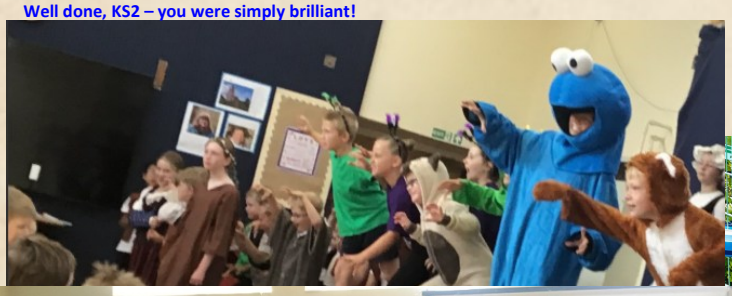

Our Key Stage 2 children delighted audiences with their fantastic end-of-year production, *A Long Way to Camelot*. After weeks of rehearsals, the children took to the stage with confidence, enthusiasm and plenty of humour, bringing the story to life through wonderful acting, singing and storytelling.

Every child played an important part in making the performance such a success. From the colourful costumes and memorable characters to the energetic musical numbers, the production showcased the children's creativity, teamwork and growing confidence. They worked incredibly hard to learn their lines, songs and stage directions, and their dedication shone through in every performance.

We are immensely proud of all of our KS2 pupils for their commitment and resilience throughout the rehearsal process. They entertained family and friends with a truly memorable show and should be proud of everything they achieved.

A huge thank you goes to our staff for their hard work and dedication in preparing the production, as well as to our families for their continued support. It was a wonderful way to celebrate the end of another successful school year and create lasting memories for everyone involved.

Well done, KS2 – you were simply brilliant!

Daisy Class Graduation

Pre School Graduation

This week, Daisy Class celebrated a very special milestone with their Pre-School Graduation. Families and staff came together to mark the children's achievements and celebrate all the wonderful memories they have made during their time in Daisy Class.

The children delighted everyone with a fantastic performance of *The Rainbow Fish*. They confidently acted and shared the heartwarming story, showcasing the skills, confidence and friendships they have developed throughout the year. We were incredibly proud of each and every one of them.

Following their performance, each child was presented with their Graduation Certificate to celebrate their hard work, growth and readiness for their next exciting adventure as they move on to school.

A huge congratulations to all of our graduates!. We know they will continue to shine and grow, as they head in to Mrs Hill's Class in September.

A lovely end to the term for our four houses with the opportunity to take part in different challenges across the day. Some amazing team work, lots of laughter and enjoying working alongside friends from across the school. Mrs James added to the fun by setting riddles for each house to solve!
