BE BRIGHT, BE SEEN
WEST MERCIA POLICE

Safer neigbourhood Team Visit

Our Wonderful Local Safer Neighbourhood Team recently visited school, with PC Hamilton joining us as part of their 'Be Bright, Be Seen' campaign. The children really enjoyed learning all about how to stay safe on our roads, particularly during the darker winter months. They explored some important road safety messages for pedestrians, cyclists and horse riders.

The children also had lots of fun dressing up as police officers and finding out more about the important work PC Hamilton and the team do in our local community.

A huge thank you to PC Hamilton and our Safer Neighbourhood Team for taking the time to visit us and helping our children learn how to stay safe and be seen!

Rose Class - Forest School

Rose Class had their first Forest School session this half term and lots of fun was had.

Firstly, we started with a bat and moth game. One child became the bat and searched for its prey, the moth. The moth then had to clap and the bat had to try to locate it using its sense of hearing.

Children were invited to make bonfire displays using natural resources. Others carefully selected their favourite leaf, painted it and gave it a facial expression. These look fantastic on our Forest School display. Others took full advantage of the autumn leaves: leaf fights and leaf angels were a favourite.

PA Bonfire Bingo

A huge thank you to all the families who joined us for our Bonfire-Themed Bingo this week! It was fantastic to see such an amazing turnout, and we hope everyone had a wonderful time.

A special BIG thank you to our Parent Association for all their hard work, support and help in making the event such a success. We really couldn't do it without you!
