Bluebell Class - Cotswold Farm Park

Bluebell Class had an absolutely brilliant day travelling to Cotswold Farm Park last week. Everyone was excited and the sun shone and skies were blue. Together with friends from Burley Gate school, they met a range of different farm animals including hungry goats who tried to nibble coats, a very friendly highland bull, piglets, horses and sheep.

After a much-needed lunch the children explored the woodland walk trail, mud kitchen and natural playground. There was even time to meet some enormous rabbits and learn more about and hold newborn chicks.

Daisy Class - The Gruffalo

What a wonderful morning we had at Queenswood this week! Joined by Burley Gate Nursery, we followed the Gruffalo trail in search of the Mouse, the Fox, the Owl, the Snake and, of course, the Gruffalo himself!

Along the way, we discovered clues to help us find our way around the woods, as well as interesting information about the animals we might spot if we looked carefully at our surroundings.

There was plenty of fun along the way as we jumped in puddles, collected leaves and ran excitedly along the woodland paths.

After all our exploring, we enjoyed some delicious Gruffalo biscuits while listening to the wonderful story of The Gruffalo before heading back to the bus and nursery.

Little Seeds TOTS GROUP

We had a wonderful time this week exploring water, pumpkins, autumn leaves and chocolate playdough! The children loved getting hands-on, splashing in the water, exploring different textures and colours, and getting creative with our chocolate-scented playdough.

Thank you to all our Little Seed families for joining us this term. We look forward to seeing you back on Wednesday 4th November.

BE BRIGHT, BE SEEN

WEST MERCIA POLICE

Our wonderful local Safer Neighbourhood Team will be coming to visit the school to talk to the children about their 'Be Bright be seen' campaign on Wednesday 4th November, which is aimed at vulnerable road users who may walk, cycle or ride horses on our roads especially during the darker winter months of the year. They are bringing their engagement van and will be set up in the car park just outside the school. families are welcome to come and visit the team from 3.15pm to discuss any concerns and claim some Hi Vis goodies.
