Bromyard Tag Festival

On Tuesday, our Year 4, 5 and 6 pupils enjoyed a fantastic tag rugby tournament and represented St Michael's with great pride. The children showed our values throughout, with excellent teamwork, determination, sportsmanship and lots of fun along the way. One of our teams made it all the way to the finals, narrowly missing out on first place after a close 3-2 finish. We are so proud of all the children for their wonderful effort and positive attitude.

Rose Class

This week in science, Rose Class explored the digestive system through a hands-on investigation. We began by using a masher to break up a banana, which represented our teeth. We then added water, representing saliva, to help the food move down the oesophagus and into the stomach. Next, the children added vinegar, which acted as stomach acid, to break down the food in the stomach. We used tights to separate the nutrients and water, representing the small and large intestines, from the banana. Finally, we were left with the banana waste.

Buttercup Class - Pumpkin Farm

Buttercup Class had a fantastic time visiting the pumpkin farm this week! The children enjoyed our pumpkin hunt, discovering different types of pumpkins and comparing their sizes, shapes and colours. We finished off our exciting day exploring the adventure park before we headed back to school to have lunch.

St Michael's Bodenham Show Jumping Team

Rosie Griffith, Suki Sheppard, Phoebe Hanson and Evelyn Watson

All did fantastically in representing our school at the NSEA Grassroots showjumping with the girls team 'St Michael's Pony Dream Team' coming first. Qualifying for Hickstead 2027.
