St. Michael's C.E. Primary School News

Friday 24th September 2021

We have now completed our third week in school and it has been lovely to see the children playing together across the year groups. We have particularly enjoyed our whole school acts of worship and singing together.

We welcomed 14 Reception children into Class 1 at the start of term. They have started to get to know their "Buddies"; older children who help them at playtimes and lunchtimes. We are sure they will quickly become part of our school and make new friendships.

Miss Lampitt and Mrs Waldron, our two new class teachers, have thoroughly enjoyed their start of term and quickly become part of our team.

Our after-school clubs started last week. May we remind you that, if children have made a commitment to an after school club, it is expected that they will attend each week.

Our Parents' Association held their AGM this week, which was very well attended. Huge thanks go to all of you for your fabulous fundraising events throughout a difficult year—in spite of everything, you still raised over £4,000 for our school. We all look forward to hearing about the events planned for this year, in due course.

Thank you for the support you continue to give the school and we look forward to seeing you at events this academic year.

Class 1 have had a busy and happy start to the new term, with the highlight so far being meeting their Year 6 Buddies. They have been exploring the story of 'The Little Red Hen' and have planted seeds, cut corn, made windmills in the sand and even made their own bread.

In English, Class 3 have been learning how to write instructions for washing a woolly mammoth, which is linked to their topic 'The Stone Age'. They also followed some instructions to make a woolly mammoth.

Each month we take a value which we discuss with the children and use as our theme for our assemblies. Our Value for September is **RESPECT**.
