St. Michael's C.E. Primary School News

Friday 12th November 2021

On Tuesday 2nd November, Class 1 had their first educational visit of this academic year. They had a morning at Queenswood and, for some children, this was their first time on a coach, which was very exciting. They had a very enjoyable time, experiencing all that the environment had to offer. They followed this up later in the week by drawing fabulous maps, including a detailed key.

Yesterday, we were all delighted that Class 3 were able to hold the first Class Assembly since 2019. The children showcased their learning this term fantastically by performing several choral chants, educating the audience about their history topic, The Stone Age, their science topic, Light and their knowledge of times tables. The children thoroughly enjoyed performing to such a receptive audience of family and fellow pupils.

Thank you for supporting the Royal British Legion so well this year; the children have proudly worn their poppies this week and the staff were all impressed by the way that the whole school were able to show their respect by standing in silence for two minutes at 11.00 am yesterday.

On Sunday, St. Michael's Church will be holding their Remembrance Service at 10.00 am. All are very welcome to attend.
