

Literacy

Continuing to develop our reading skills through daily phonics lessons to revisit and learn new digraphs and common exception words.

Using a range of traditional and favourite stories based around our topic to write for different purposes.

Holding and recreating a simple sentence, posters for healthy eating, and writing instructions to make the perfect apple crumble! Later in the term we will focus on woodland creatures and use the Owl Baby story as a stimulus for writing facts about owls and creating speech bubbles.

PE

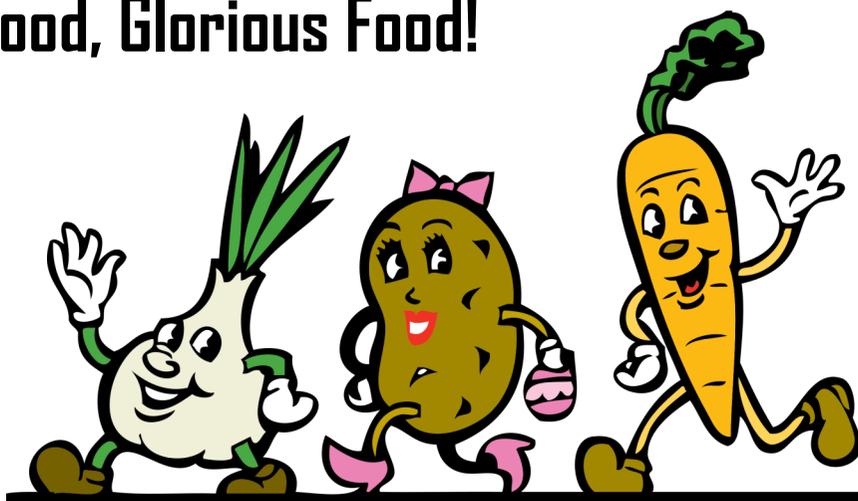

We will join our friends from Class 2 for dance lessons on a Friday afternoon.

We will also enjoy finding our more about our outdoor learning environment with Forest School based lessons.

Mathematics

Building on the skills from reception we will focus on the 'mastery' style of teaching and learning developing our understanding of place value, addition and subtraction for numbers 1-20 and the properties of both 2D and 3D shapes.

Food, Glorious Food!

Topic (History, Geography, DT and ICT)

Our geography will introduce us to our local village environment. We will look at maps of farms and our village and begin to understand more about the food and vegetables that are grown by farmers.

History will be covered later in the term when our topic changes to a woodland focus. We will look at the differences between old and new teddy bears based on Winnie the Pooh and his adventures in the Hundred Acre Wood.

In ICT we will begin to think about directions and give our friends simple instructions for moving from one place to another.

Art and Music

Starting with our whole school art week we will mix colours, explore the work of the artist Kandinsky and manipulate paper to make 3D apples. There will be lots of opportunities to learn Autumn and food related songs and rhymes and prepare for a special Harvest performance.

Science

Enjoying our outdoor environment and finding out about our new season of Autumn. We will learn to identify and sort different materials and find out what they can be used for.

Personal, Social and Emotional

The children will have lots of opportunity to share their thoughts and feelings during regular circle time sessions. This term we will focus on making friends, being a super listener, self-esteem and making positive choices. We will also focus on our whole school values.

RE

Using bible stories and traditional festivals to help understand how we are special and places and groups that we belong to.
