

Happy New Year Class 2

Dear Parents,

Firstly, Happy New Year to you all and I hope you have had a lovely relaxing Christmas.

In Class 2, we shall continue to encourage the children to become more independent and responsible not only in their learning, but as a citizen of our community. Please help them to achieve this by allowing them to hand in any letters, slips, etc. as well as encouraging them to remember to bring in their own homework and look after their belongings, such as their P.E kits.

Seesaw:

Could I remind everyone to keep checking Seesaw regularly as I will be putting notices and homework tasks on for you to access at home. If you have any difficulties accessing your account, please let me know and I can either email or print your child's code for you.

Health Eating:

In Key Stage 1, free fruit is available for your child to enjoy. If you wish to provide an additional snack, please ensure that it is fruit based. We also encourage a healthy packed lunch if your child brings one in.

Further information:

We have whole school assemblies daily and our after-school clubs are running as normal. There will be a Class 2 assembly later in the term so watch out for the date for this!

Please also find attached this term's overview. We are beginning by looking at the Polar regions; I look forward to teaching the children all about the North Pole and South Pole and the animals that live in both places, through a range of exciting activities.

A final note about **coats**- please can your child bring one in, even if it is forecast fine, just in case the weather changes; that way, we can still get outside into the fresh air.

Please don't hesitate to contact me regarding any issues as we continue the school year together.

Kind regards,

Miss Lampitt
